# Just for Openers

Keys jinkle and bells jingle, but keys are not bells. And although the word does have a certain ring to it, it should in no way be confused with a key ring which, as everyone knows, is almost exactly like a key chain. While there may be many keys on a key chain, at no time would they be considered a chain gang. Ignition keys found on key chains are used by people to get up and go, while keys to the city are given to people on the go. There are skate keys, keys to ideas, and the key of C, which, as everyone knows, bears no resemblance to the letter 'C'. If a key were a letter, it could be a typewriter key, which is not to say that one typewriter key can compose a letter.

A key may fit a golden lock, but at no time should that be confused with Goldilocks, who certainly didn't need a key at all to get into the 'Three Bears' house. While it's true that keys open locks, it's doubtful that a key could open bagels and lox or locks of hair, and you'd need more than a key to open the locks on the Panama Canal. It is said that keys unlock hearts, but everyone knows that the way to a man's heart is through his stomach.

Keys are grooved and keys are notched, but it must be realized that not everyone who carries a notched key is a notch above the rest. To say that a small key is a wee key is at no time to suggest that it is a Kiwi, which is certainly a horse of a different color. A donkey is not a key, but there's no question that he could open a door if he put his mind to it. Keys open doors to discovery, which in Benjamin Franklin's case was a shocking situation, and a skeleton in anyone's closet can be revealed by using a skeleton key. The Florida Keys are not keys at all, yet some submit they open the door to happiness.

While a key may be used to unlock a church, it should in no way be confused with a church key, which though it is seldom found anywhere near a church can be the answer to a prayer. Francis Scott Key's Star Spangled Banner is often played on piano keys which have never been known to open any doors. There are key signatures which nobody writes but which show musicians in what key a song is to be played. Politicians who may or may not be musicians are fond of giving keynote addresses and may be heard to speak in a high key, but that in no way indicates they are keyed up.

A keystone holds things up, unlike the Keystone Cops who probably never held anyone up. It is not known whether Keystone Cops ever operated in Pennsylvania, which as everyone knows is nicknamed the Keystone State.

Keys unlock jails that are also called the lock-up and the can. But keys that open cans are quite different from those that open jails, and it is wise to remember that when one is thrown into the can, one hardly ever ends up with some nice tomatoes. A jailer's assistant is a turnkey, which is not to be confused with a turncoat. A turnkey is also not a turkey, which is no key at all.

And even though all of this rings true, there's certainly no reason to believe that it has anything to do with bells. Keys jingle, and bells jingle, but ...

## E.R. Closed; Keys Found to Ring Bells

Students at El Rancho were very surprised when the first day of school arrived. Most students came back to school ready to break back into the rigorous routine of school life, but they were startled to find that a majority of their teachers were not in their classrooms. The teachers of the El Rancho Unified School District were on strike! Schools in the district were all but closed for a month, and students received little, if any, education during this time. People thought it would come to an end in just a short time. It turned out to be the second largest teacher strike in the history of California.

Television reporters from ABC, CBS, NBC, KHJ, and KTTV were here daily to cover the developments. The major newspapers and radio stations also covered the unforgettable event.

Sandy Hill, ABC's Eye-Witness News reporter, came daily to present news coverage to 5:00, 6:00 and 11:00 news viewers. After heated negotiations between teacher organizations and the School Board, an agreement was finally reached which satisfied both sides. On October 8th the teachers returned to their classrooms.

# A Day at El Rancho

Although The Ranch's campus is familiar to us, there are some people who really don't know E.R. To new comers and visitors to El Rancho, our campus may be a maze of buildings with lettered identifications and a lot of students. This page is for those special few to get better acquainted with a common day at our school.

Upon arriving to "The Ranch" you may see the marquee in front of the Administration Building with the week's activities posted on it. If you're not too late to school, you'd be greeted by the R.O.T.C. Colorguard who raise our colors on the flagpole daily without fail.

The passing bell rings. You've got six minutes to pass through the busy halls to P-3 and Mr. Klein's calculus class. Two more hours and it's time for lunch where you have a choice of "cuisine" at the ever-famous Snack Center or the Don Cafeteria.

After lunch, you return for three more classes, and then either a walk home, a busy parking lot, or a crowded bus. After school there are daily activities with which to get involved with students and faculty alike in clubs or sports events.

Such is a typical day at El Rancho and a typical experience of being in the Don groove.

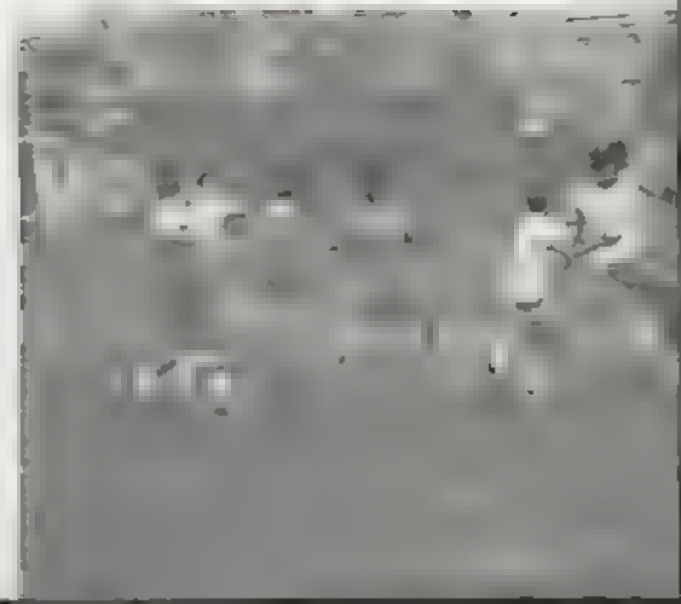

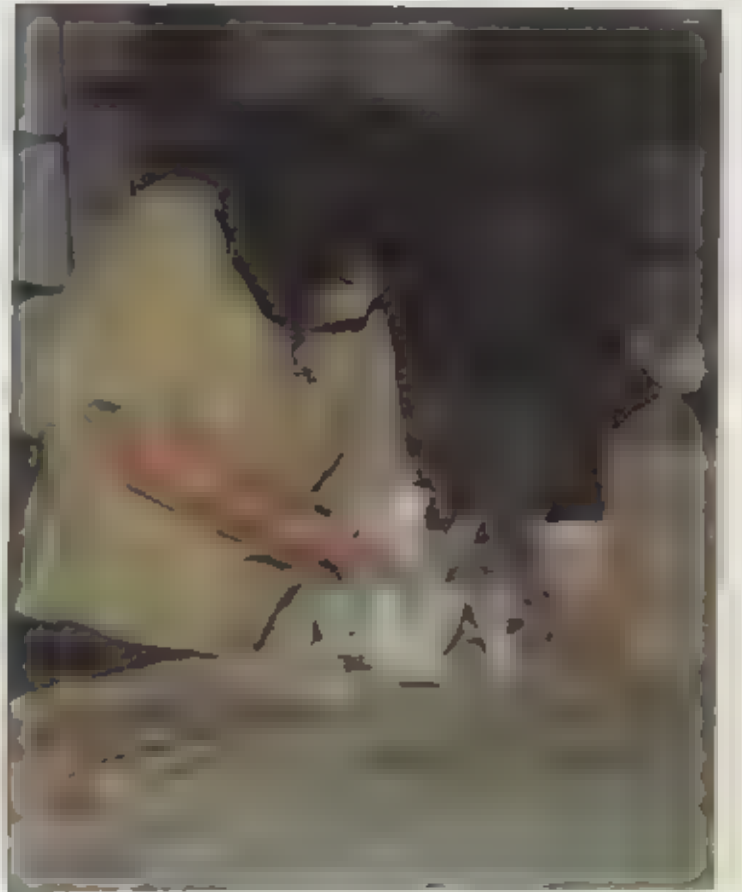

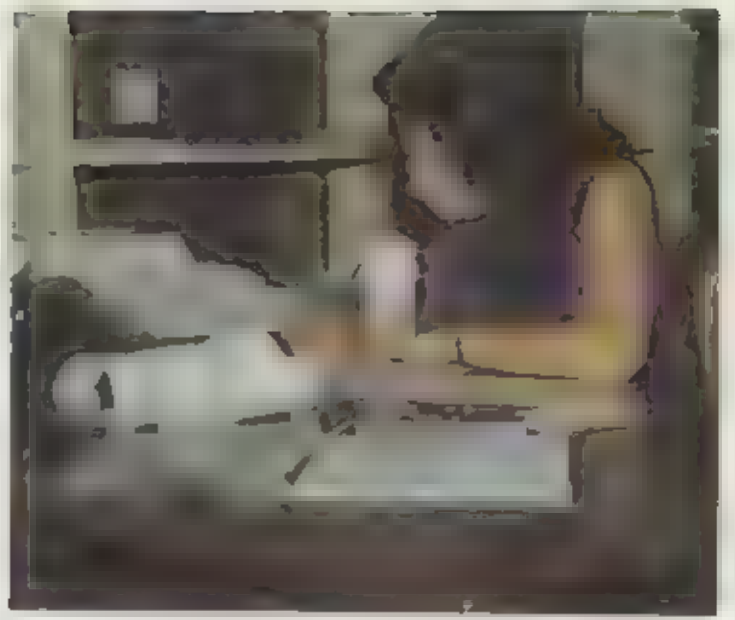

None Are a  
Notch Above the Rest

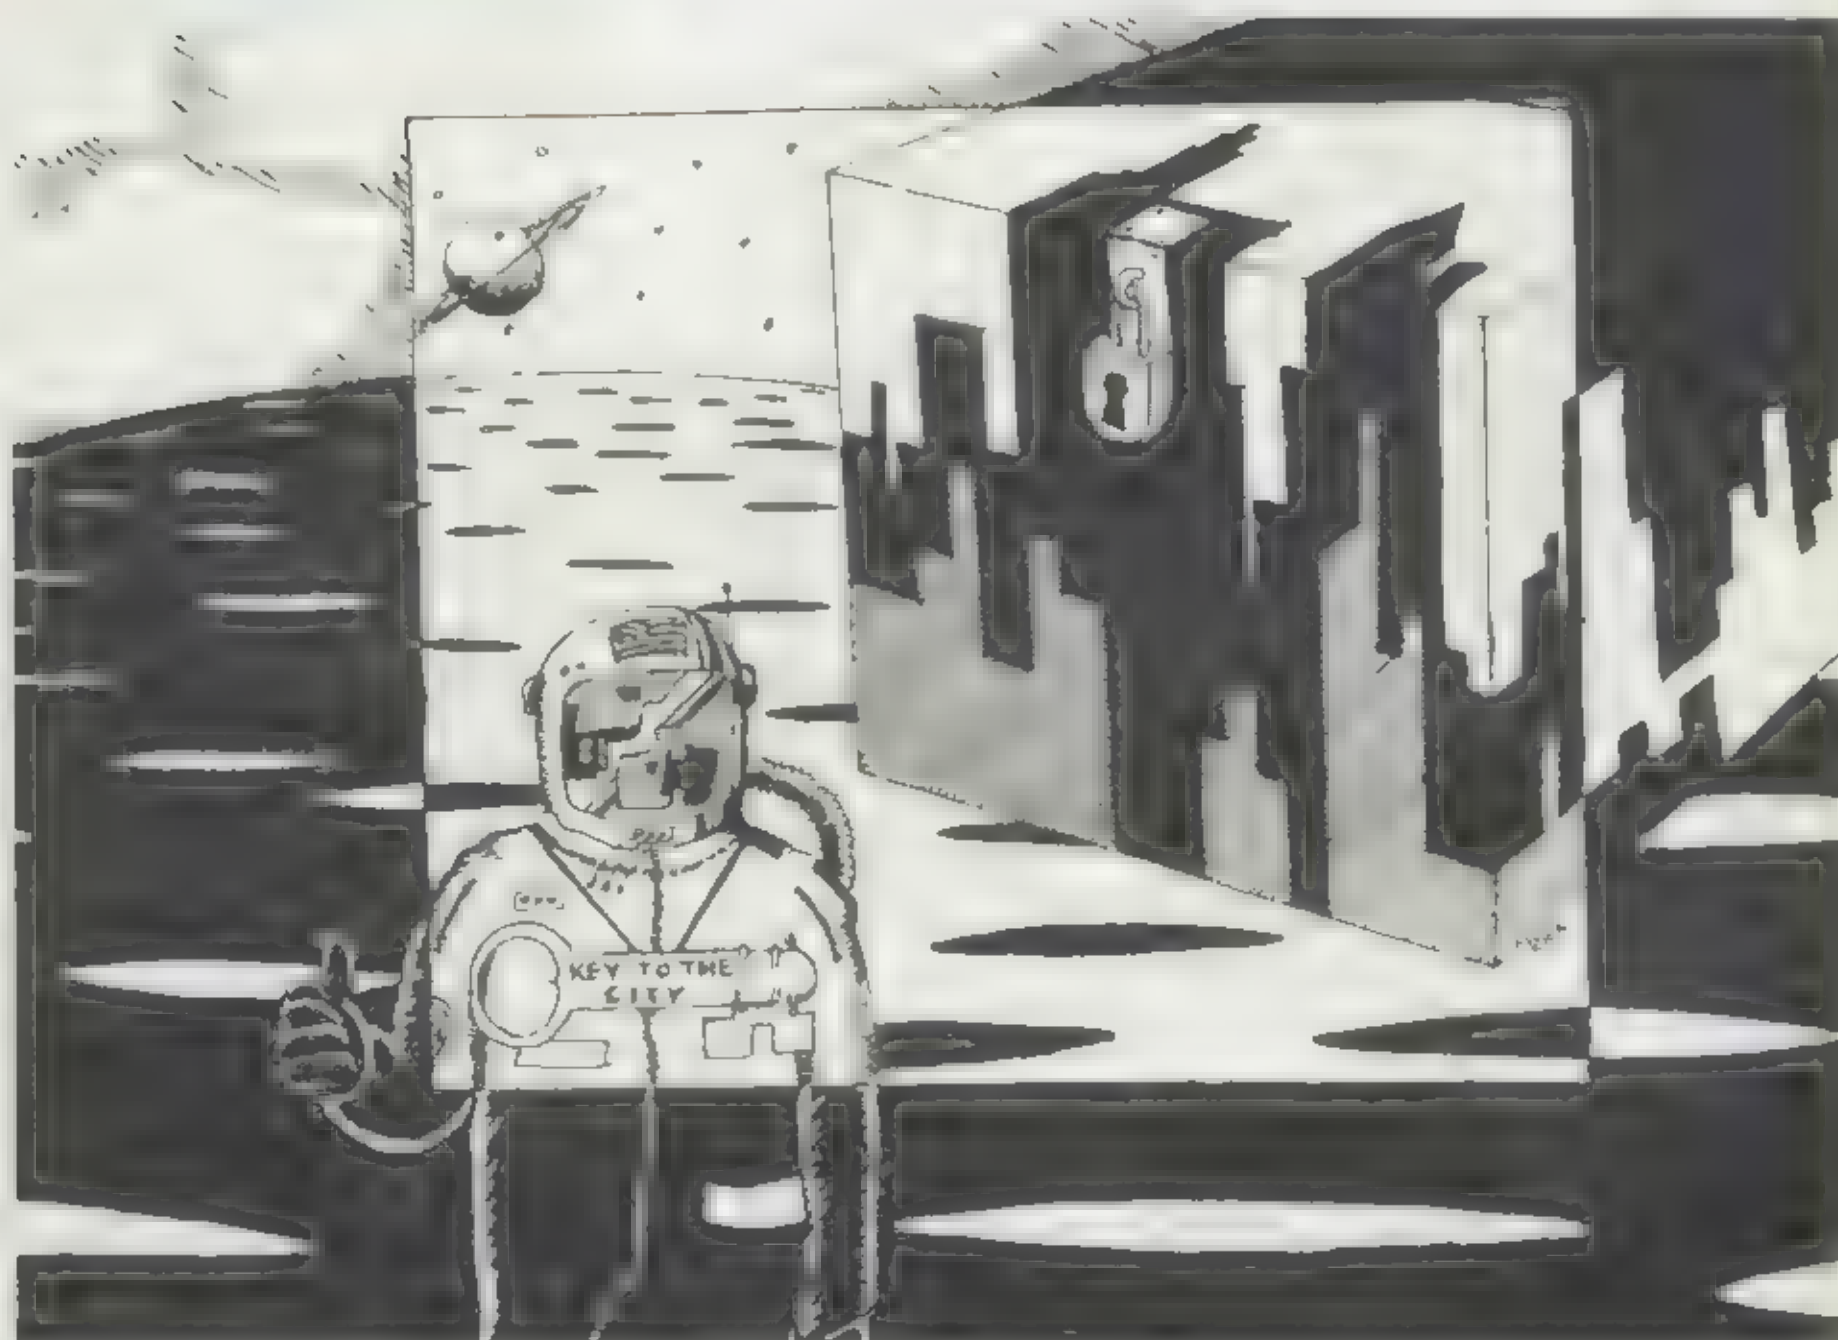

# Keys to the Future

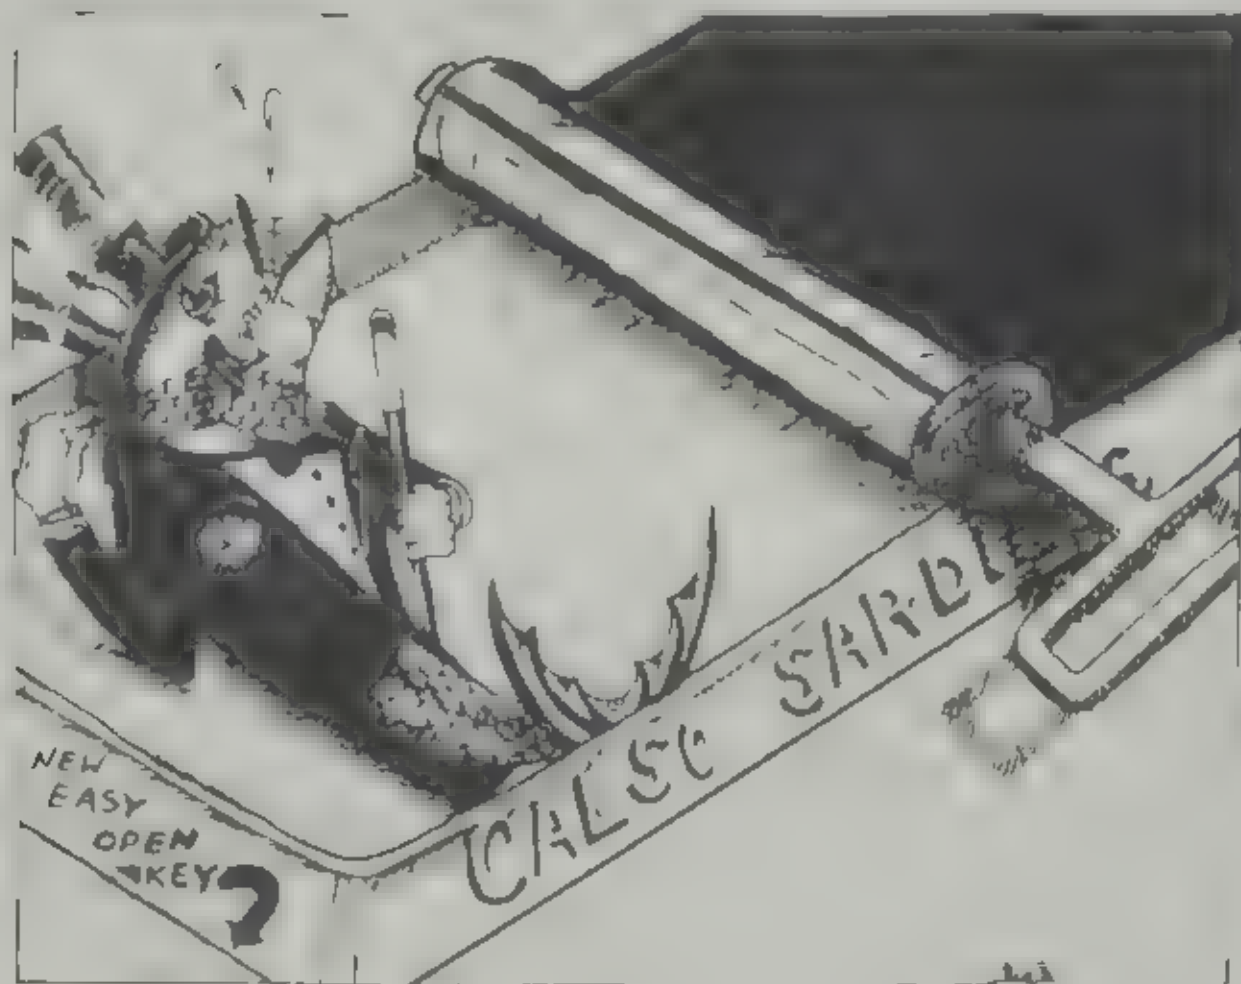

El Rancho is one school that has a wide variety of people, every one talented in a certain area. Our shop classes produce excellent mechanics, welders, and printers; while our art classes produce artists of the finest quality. From our academic classes come intelligent people with college bound ambitions. So this page is dedicated to the wide variety of talented people we have at El Rancho, and what they may become later on in life after they have left our school

# Fiesta of Memories

This year's court led by Queen Annette Arellano, displayed what Blue Pride really is. The four girls were picked to form the 1976-77 Homecoming Court over tough competition. When crowned, the Queen and Princesses all showed great dignity throughout their excitement. This year's court consisted of Senior Princess, Donna Cavner, Junior Princess, Blanca Martinez, and Sophomore Princess, Liz Navarette.

Unfortunately, due to bad weather, the outdoor assembly and arrival of the Queen by air balloon was cancelled. This coronation was moved indoors to the Gymnasium which resulted in an even greater emotional atmosphere when the surprise announcements were made.

## Halloween

Halloween is a time for ghosts and goblins and witches and ghouls. That's what we had at El Rancho during the day's activities which were held on October 31st. Halloween festivities included a costume contest, a pie eating contest, and a very suggestive relay race of passing oranges to one another under the chin. Costume winners were: Melissa McEvers, Julie Haraksin, Joy Casas, Arlene Placencia, and Chris DiJav.

## Mistletoe Memories

The Girls' League Christmas Dance is a very special event and it is looked forward to each year by many Dons and Donnas. This year the dance took place on December 11, 1976.

The Girls' League Dance is sponsored by the Girls' League Association of which Joy Casas is 1st Vice President, and Ms. Janet Banks is advisor. This year's theme of the dance was "Mistletoe Memories". It was certainly a majestic evening as Dons and Donnas danced to the music of "Elefante".

# Winter Belle

Chosen from among six nominees were three girls who were to represent the 1977 Winter Belle Court. They were: Ann Cochran, Queen; Cecilia Estrada and Esther Gill, Princesses. The announcement came during halftime ceremonies at the basketball game with Arcadia.

Immediately after the game, a dance was held honoring the Winter Belle Court. Despite the loss of the basketball game, there were many high spirited people and happy faces throughout the entire evening.

## Powder Puff

Powder Puff turned out to be an exciting experience for the girls who participated in this year's game. Weeks of strenuous practice paid off for the Seniors as they defeated the Juniors 18-0.

The Senior coaches were: Manuel Bueno, Bobby Martinez, David Munoz, Rick Delfin, Ron Perez, and Steve Perea. Senior captains were, Yolie Rodriguez and Carolyn Jorgenson. Junior coaches were: Bobby Gonzales, Eddie Fontes, David Chavez, and Tim Katanzen. Junior captains were Estera Avidez, Maria Gonzales, and Audrey Nevado. Both teams showed good sportsmanship. Good luck to next year's teams.

## Bump - Set - Spike!!!

A great bump by Tina Santiago

Thanks for the bump by Tina Santiago. The action this season has been exciting.

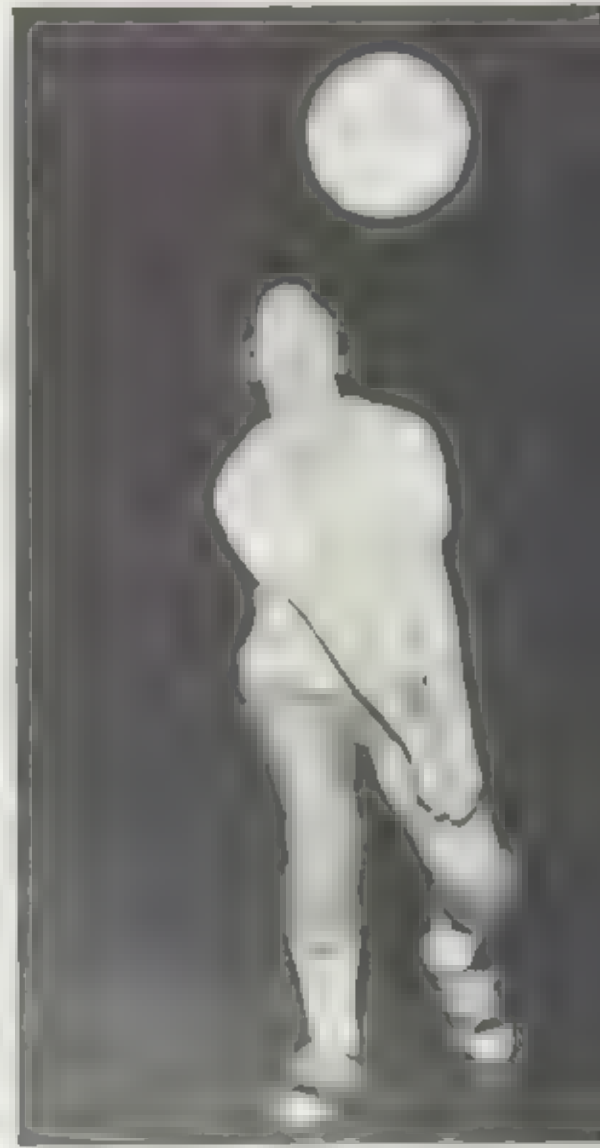

The finishing of Roberto Garcia. A great spike by Roberto Garcia.

Back Row: Varsity: Liz Corrales, Liz Carter, Sacha Warrall, Yolie Rodriguez, Liz Corrales, Liz Carter, Sacha Warrall. Front Row: Varsity: Liz Corrales, Liz Carter, Sacha Warrall, Yolie Rodriguez.

Sacha Warrall positions herself for a perfect set.

Liz Carter releases a perfectly executed overhead volley while Liz Corrales positions herself for a possible assist.

With the superb coaching of Ms. Barbara Jones and Ms. Dottie DeLane, the Varsity and Junior Varsity Volleyball Teams did well to secure their positions in the Pacific League. Varsity captain, Yolie Rodriguez, led the team to a 6-4 standing, while the JV maintained a 5-5 standing. There was no one JV captain, as each girl was given a chance to lead the team by rotating the captain's position for each game.

Volleyball has become a major sport in the Pacific League, and El Rancho had two of the most qualified coaches in the League. Both coaches have competed in the sport, and both coaches hold, or have held, a volleyball official's rating at one time. Ms. Jones and Ms. DeLane emphasized good sportsmanship, and both teams were a close-knit, hard-working group.

## Ranch Rhinos

With great skill and hard work, this year's football team was able to come through a victorious season. Under Coach Don Peterson, at his first year as head coach, and through the other coaches' exceptional leadership, compounded with the player's true dedication, the team were winners on the field.

The Varsity proved what quick moves and strength can do. By going to CIF to play a hard fought game, this year the Dons left behind a record that will be difficult to follow.

All of the glorious victories couldn't have been possible without our superb coaching staff. They taught everyone how to play with sportsmanship and display all fairness. Next year hopes are high for a winning season since several returning juniors will be present.

# Down, Set, Hike!!!

This years B's and C's Football Team went all the way winning the League Championships in both divisions. Hard work and determination were the keys to their success, and it paid off in the end. The B's, winning practically every game, became League champions because of outstanding players such as Jay Ortega, Roy Arroyo, Pierre Rivera, Javier Ramirez, Pete Zuniga, and many other players which would include practically the whole team.

The C's also took first in the League with the fourteen players of outstanding athletes such as Alex Bergidias, Ken Santillan, Norm Martinez, and quarterback Anthony Garcia. Next year El Rancho is expecting to have outstanding J.V. and Varsity teams with the help of the returning athletes of our Sophomore teams this year.

The coaches were Mr. Mike Sweeney, Mr. Dave Aguilar, Mr. Nick Caputo, Mr. Bill Bertrand and Mr. Fred Miller.

## Winding up the Year

"And the punch line is

A winning Softball team needs two major ingredients: good coaches, and devoted players. This year's Girls Softball teams had all the things needed for a good season with the great coaching of Ms. Julie Ellis and Ms. Dottie DeLane. The devoted and talented skills of the team members were proven, and the coaches were proud of their efforts. We're expecting a good Varsity team again next season with the return of many players of this year's Varsity and many players of J.V. team moving up. The girls showed that they knew what it takes to play good softball. Both teams did a great job with their season and feel that all the practice was worth it.

With a little natural talent and hours of practice, the JV Baseball team competed defiantly, upholding and preserving the Blue and Grey! Let's tip our hats to coach Dave Aguilar and captains Eddie "Slugger" Fontes and Albert Saldivar, for their superb leadership.

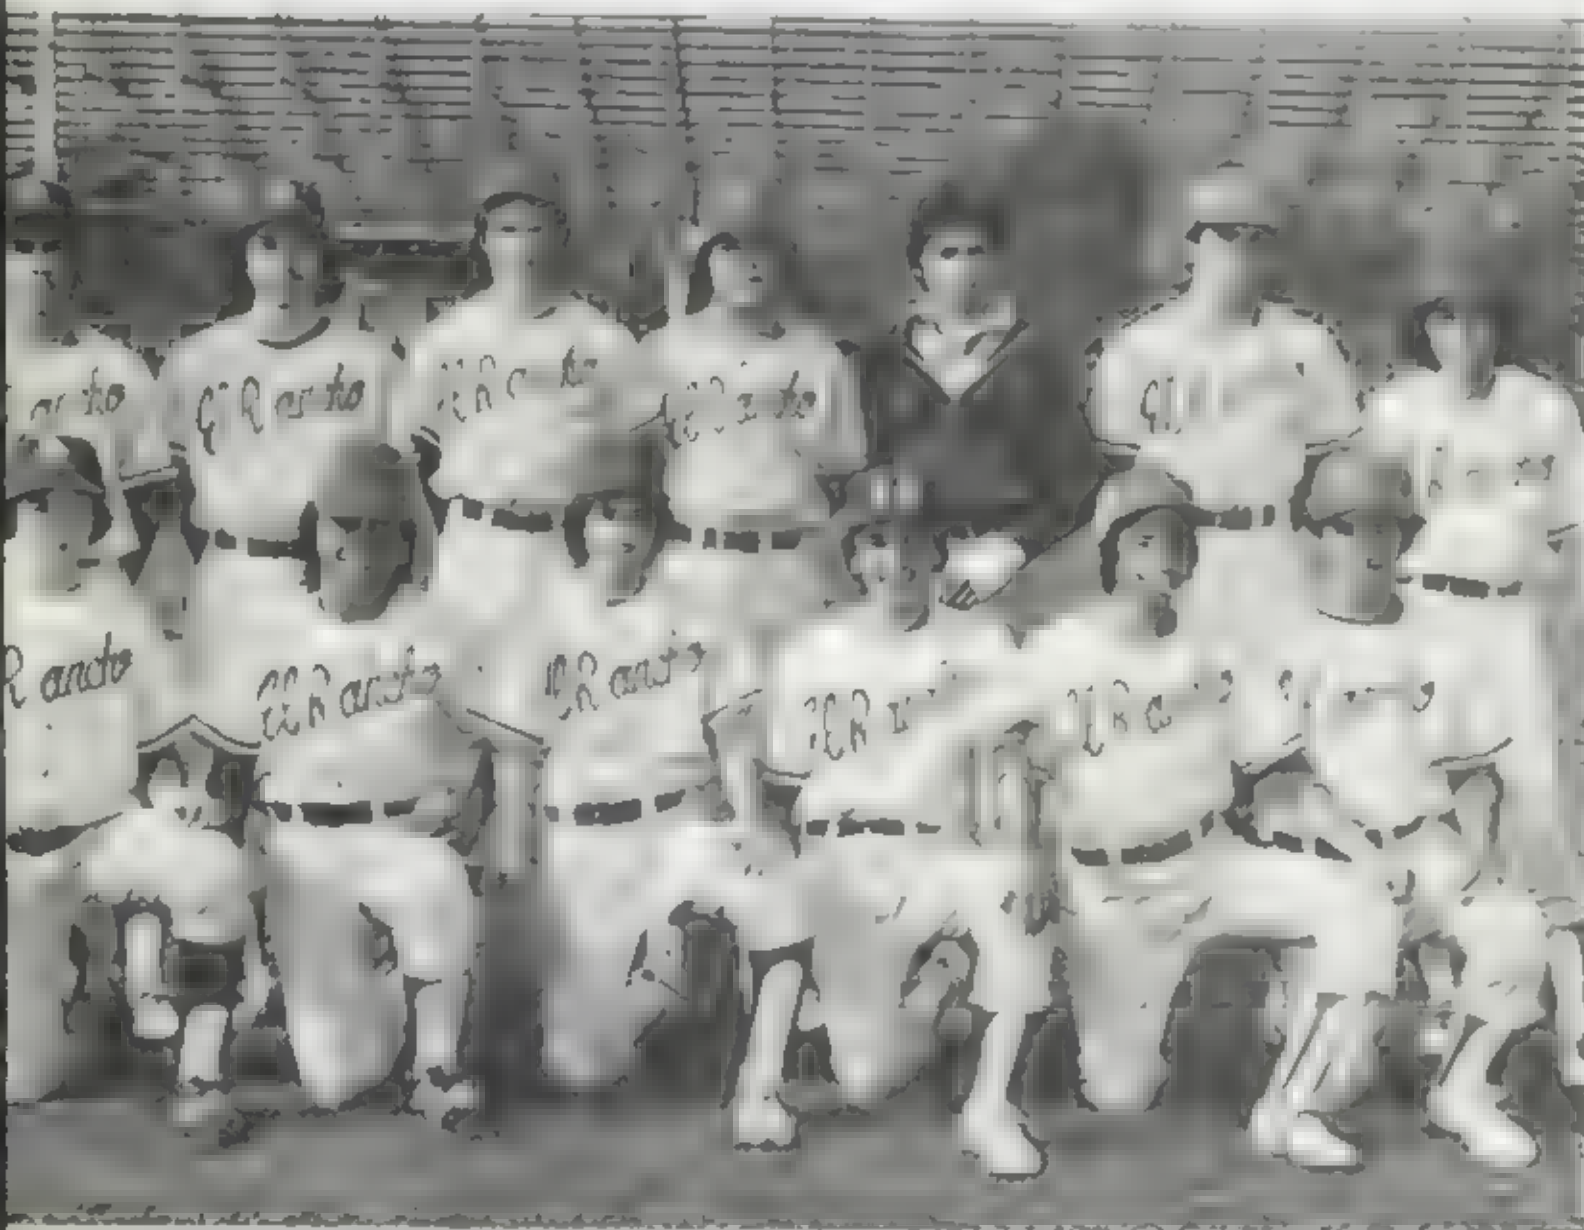

The Sophomore Baseball team also displayed their impending victory over the CIF competition. With a couple years of experience and practice El Rancho has a promising look to the future as far as Baseball is concerned. Let's hear it for coach Mike Sweeney and Captains David Solis and Frank Barragon.

El Rancho's Varsity Basketball team faired in the Pacific League this year only winning a few games, but putting great effort in each one. The team, led by Bobby Hammond and Jim Penilla, played well considering the taller heights of the opponents. Coach Joe Osterman coached well but ran into problems with outstanding opposition who have very gifted players. We are hoping for a good team next year with returning lettermen and J.V. members

With a shot in the arm, the medicine is better than the pain, as shown by this year's J.V. Basketball Team. Through their hard work in practice they were able to convert themselves into a winning team.

Under the fantastic instruction of Coach Bruce Hendrick, they were able to display a respectable record of wins. With the prospects of next year looking most promising, the Dona are going to be great competitors.

## Rookie Cagers

This years Sophomore Basketball teams worked hard and showed that if they had more experience they could be champions and major threats to the league. The Bees started off well in the pre-season winning 5 of the 10 games, but entering League play they met stiff competition and lack of experience kept them out of the race for the championship

The Cee's also were doing good in the pre season, but league play found them playing more experienced teams, and they found it hard to make it to the top. Altogether the teams faired well considering the tough opposition. The Bee's and Cee's coaches, Mr. Jim Dyson and Mr. Don Peterson, taught good techniques that will help them next year

This year's Soccer Team faired well consid-  
 ering they were in the same league with the  
 top two teams, Arcadia and San Gabriel. The  
 Varsity Team was young and lacked experi-  
 ence, while having to play many Sophomores  
 in the games. The J.V.'s had a fair season with  
 the guiding of captain Duane Daniel. We ex-  
 pect an improved team next year with more  
 experience Mondo Aylia also helped the team  
 with his voluntary managing. Coach Dave  
 Aguilar did a good job with the teams, and

"Up through the air in a flying trapeze down to the floor with the greatest of ease" was the theme of this year's Varsity Team. They, like last year, took off to the top, by placing first in the League and becoming champions for the second straight year. With the great coaching of Mr. Bob Turner and Mr. Moe Turner, the team has developed tremendously into outstanding athletes.

# Potential-Plus

With great determination the J.V. Gymnastic team proved to be great competitors. Under the instructive coaching of Mr. Moe Turner, the team showed unsurpassed ability for the future years. In spite of inexperience, the team held their own in their meets. So next year will be most promising since the potential of these athletes is fantastic.

## Spikers

The Don tradition was upheld this year as being the fastest, farthest or even highest. With our runners springing on out of the blocks, or flashing across the finish line

With the help of the new coach Mr. Rod Ferguson, the team was able to display a most respectable record. Through the seemingly straining muscles of the spiker as he would tear around the track, there is a story to be told. There is a tremendous amount of dedication: it's their desire to win, and to break a record for their school and for themselves

## On Your Mark . . .

This year the Swim Team "pooled" out a fantastic year. With victories in all major events, Coaches Doug Anderson and Dave Horst were proud of their teams' record.

Through their hard working practice sessions they were able to show what real competition was. With flying starts and flashing kicks, this year's swim team was proud to display El Rancho's colors on their Speedos.

Swinging their way through this year's course of the season, the Golf team lunged head long into the competition. In spite of the tough competition the team faced, they were able to chip away at the opponents until they were victorious. But all wouldn't have been possible without the great coaching of Coach Joe Osterman, an outstanding golfer himself

Coach Joe Osterman tried to build the team into a "solid competition unit" and developed depth in the squad performance which was necessary to compete in the powerful Pacific League

# Tennis, Anyone?

This year's Varsity Tennis Team, under the coaching of Mr. Ray Ogas, really put it together. Though meeting stiff competition all year, the team managed to produce a winning record. The solid play of the two top seniors, John Casillas and Alex Martinez, was the key to most of the team's victories. With four juniors on the varsity team this year, the number one spot for next year's team promises to be a real shoot-out.

The devotion of Coach Steve Hartman, and the hard work put out by the players payed off this year as the J.V. Team completed a fine season. With the development of the year's sophomores, the future holds good things in store for El Rancho Tennis.

JV CROSS COUNTRY TEAM L-R: Rod Warren, Gail Lopez, David Medina, Mary Underhill, John Dixon, Debra C. Torres

The 1976 season for the El Rancho Cross Country team had it's ups and downs. With new coach Mr. Rod Ferguson and many returning runners, the outlook for the season was good. The captain and Co-Captain for this year were Sal Lozano and Joe Ramos respectively. This was the first year that there were two girls on the team; Faye Tolbert and Lucy Lopez. Both girls were a tremendous help to the team.

In pre-league meets, the Dons fell in defeat to Montebello and Hawthorne, but were victorious over Warren and La Mirada. In the first league meet of the season the Dons demolished Pasadena 16-17 (low score wins), led by senior captain Sal Lozano and sophomore Paul Anaya. In a crucial meet against defending league champs, Arcadia, the Don's narrowly missed winning by two points, 29-27. In a three way meet against Alhambra and Muir, the Harriers lost against Alhambra, but defeated Muir. With injuries the squad lost many vital varsity members leaving the team weak. Against San Gabriel they were defeated, but were led gallantly by junior Anthony Guzman. The overall record for the Dons was 4 wins and 5 losses.

This years Varsity Team went almost undefeated losing only a few close games to tough opponents. The season was a great success brought about through great coaching and determined effort on the part of the players. Behind captains John Bojorquez and Rick Nakashima, the team went into the CIF Playoffs for only the second time since 1957. Hardly anybody realizes the hard work and grueling effort that one puts out in Water Polo. Some consider it to be the toughest and hardest sport. The sport requires most of one's energy at all times, and drains the body. Our team showed that they were able to achieve their goals and tackle this tough sport. Returning lettermen next year will be Julian Bojorquez, Randy Freeman, Rick Ellington, and Dave Nakishima, trying to keep the CIF championship hopes. We are expecting another great team in '77.

## A Little Splash

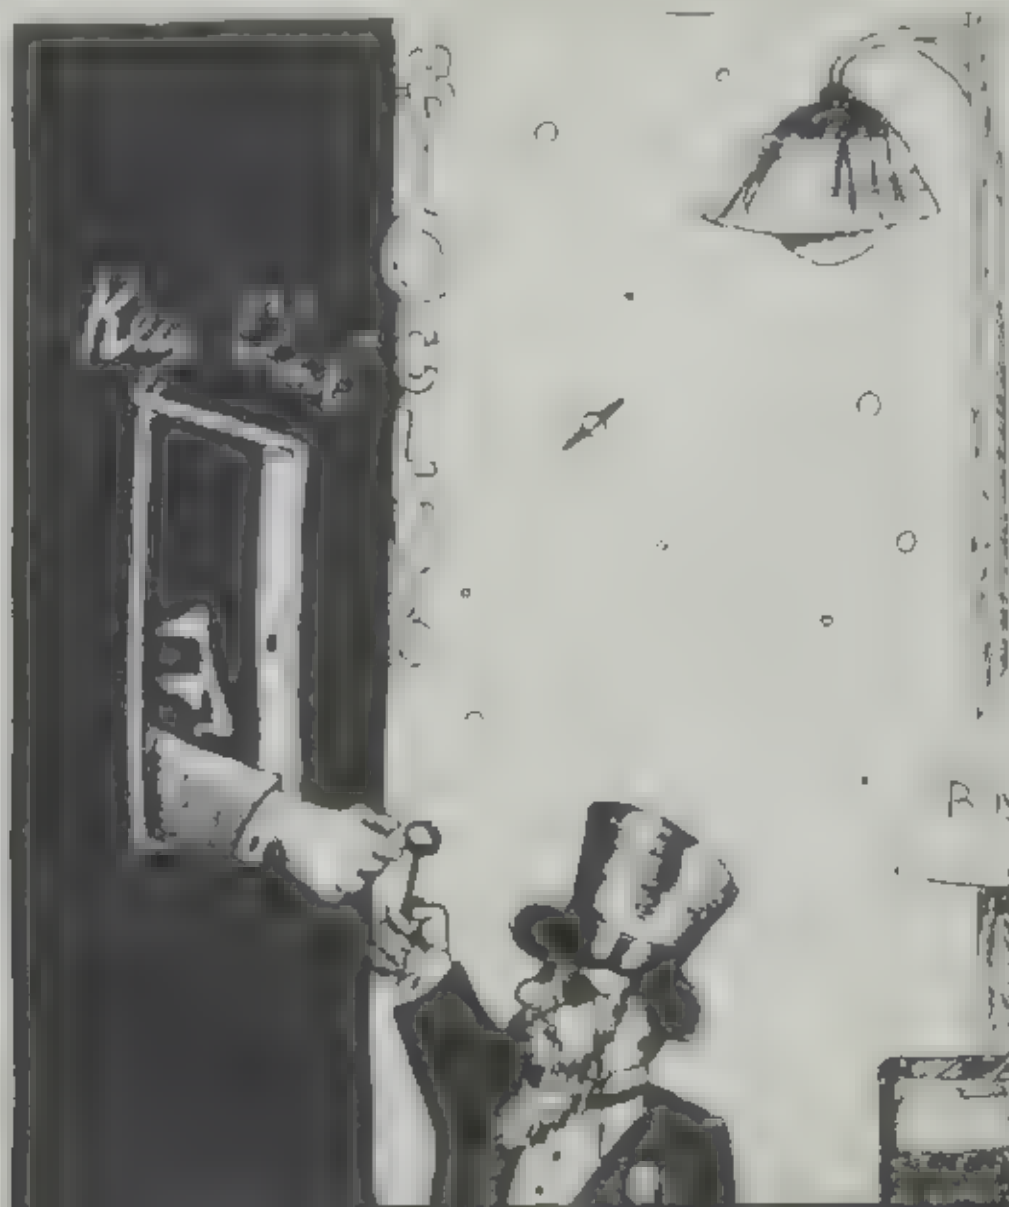

A well executed play is performed by John Bojorquez

The JV's showed that experience pays off in the end. Taking first in League play, they were a much improved team having very few losses. The hard work under the sun and trials of this tough sport ended with almost everything the players hoped for. Great coaching proved to be the key to their success. It wouldn't be fair to mention just the outstanding players because the whole team played up to their 1st place finish!

The Sophs started off weak, but improved with every game and showed they could be winners with a little more experience. Coach Marshall did a good job bringing the team up when things looked bad. Many things are expected of this team in future years in holding the reputation of El Rancho in Water Polo!

# Keynote Politicians Fill House & Senate

Senate is made up of a representative from each organization on campus. One of the Senate's job is to pass out bills. Members inform their clubs of upcoming activities. The other responsibility of the Senate is to see to it that no two organizations sell candy at the same time, so that they'll all have a fair chance to raise money.

House and Senate is the legislative branch of El Rancho Student Government. The House is made up of a representative from every second period class. All the class representatives, Sergeant of Arms, Secretary, and the Speaker of the House are also in the House. They attend meetings during their second period to tell what they discussed. The House also passes bills.

Meeting first period every morning, you'll find the hard working Executive Commission. This Commission meets to discuss affairs of the student body and how to make things better for the students of El Rancho. The Executive Commission is made up of student body officers, elected class officers, and elected club commissioners. Editors of both the El Rodeo and Por El Ano are also members of the Executive Commission. Executive Commission sponsors many activities throughout the year.

The Vocational Industrial Club of America is a national organization for high school students who wish to compete in the areas of auto mechanics and welding. Competition is featured in the local area, the whole Southern California area, and throughout the entire state. Advisors for this group are Mr. Bob Stroffregen, head advisor; Mr. Mas Sutis, co-advisor of the welding division; and Mr. Bob Atkins, advisor of the auto mechanics division. In 1975 El Rancho placed 2nd, and in 1974 we placed 1st in competition with 1600 other high schools.

# Keys to Change

This is the third year that Mrs. Phyllis Swinnerton and Mr. Don Swensson have advised over the presidings of Student Council. The title of Boys and Girls' Council has been changed to Student Council due to the national legislative decree of Title IX which states that there shall be no sexual indication shown in campus organization membership or curriculum.

Mary Romero is this year's Chief Justice. The two presidents of Students Council are Cathy Waller and Pat Collins. Council members pass new legislation, assist at school functions by ushering, and sponsor an annual Christmas party for handicapped children at Selby Grove Elementary School.

# El Rancho Bands

The Marching Band is a group of students who must practice constantly in order to produce superior performances. The band, instructed by Bill Eads, director, has entertained the school on numerous occasions.

Drum Major, Robert "Corky" Dominquez, led the band through a successful year with his great leadership capabilities. But behind those fantastic shows, there was a lot of unseen effort. On the street the band had to risk life and limb. They would have to jump out of the way of racing cars, leap over dangerous open manholes, ward off furious construction workers, stand in the blazing sun for hours, and take the bites of rabid dogs while remaining at attention. But most of all, at the parades they would have to take whatever the horses dished out with the command of "Keep on Marching"!

El Rancho audiences were able to hear the Concert Band perform at various assemblies and activities. Under the direction of Mr. Bill Eads, their musical numbers ranged from classical to the latest pop hits.

The Stage Band is yet another musical group. They have played at still other assemblies where they have mastered a great jazz sound. At parades, assemblies, concerts, and pep-rallies, you'll find members of our fine bands. Unexpectedly, and on their own initiative, we even saw and heard them at an occasional teacher rally during the strike at the beginning of the year.

# Banners, Majorettes and Flags

Our excellent Marching Band has a tough act to follow behind the Banner Carriers, Flag Princesses, and Majorettes. Leading the way for our Band and Drill Team, these girls add the final touch to the glimmering Blue and White as they march their way to numerous awards. Together with our Banners carrying the "El Rancho" letters, our blue flags waving in the wind, our batons whirling in the air, and the Band and Drill Team marching with precision, audiences from city to city know that Blue Pride is "for real!"

# M.J.C.R.O.T.C.

Discipline and pride in self and country are strictly emphasized in our Marine Corps Junior Reserve Officers Training Corps. Proud student officers gave much assistance to Captain William Steinken Gunner Sergeant William D. Johnston and new this year Gunner Sergeant Apolonio Moreno

R.O.T.C. presented our country's colors at assemblies and football games, and raised the flag in the Quad every day without fail at 8.00 a.m. during the playing of the Stars Banged Banner

Following a long tradition, R.O.T.C. won several awards for various city and county parades. Their motto is pride. They've shown it well

Team mascots perform at Homecoming assembly

# Doing Their Job

Bring together the most talented, friendly and not to mention some of the prettiest, girls of El Rancho, and we have the 1976-77 Pepsters. Performing feats beyond most humans the Yell Leaders were essential in riling up the student body as they yelled and chanted original and traditional cheers. The Song Leaders awed the student body at football games and pep rallies with their spectacular coordination and rhythm, not to mention their remarkable endurance as they danced their way to our hearts promoting school spirit and pride in El Rancho. Twirling through the air with the greatest of ease, The Flagsters demonstrated to us their fantastic talent. Throughout the year these girls were admired by many girl watchers of our student body. Our Mascots this year were Jenetah Walker and Bernice Cegarra. These two fabulously funny girls made excellent mascots as they proved to us the hams they really are. The stamina, friendliness, and reliability of these girls is projected throughout our school.

# Pep Commission

Painting signs, stringing cards, selling Dons pins, organizing pep rallies and, in a great way, supporting our school is the Pep Commission. Pep Commission is the largest Commission on campus. All year long the Pep Commission shows its pride and spirit for El Rancho. This group of high-spirited, enthusiastic and great students support our school in a fantastic way. With the help of Commissioner, Martha Zuniga and advisor, Ms. Julie Ellis, Pep Commission did a great job this year.

## German, French and Spanish Clubs

The Spanish Club, advised by Ms. Mildred Pulido, the French Club, advised by Mrs. Edwina Rollo, and the German Club, advised by Mrs. Diane Malazian, make up one of the most sophisticated groups on campus; The International Club. All clubs individually have fund-raising activities in order to raise enough money to sponsor a banquet at a leading restaurant in the Los Angeles Area for the entire International Club. The banquet is held at the end of the school year.

# Singing Groups

Singing and travelling from place to place, you'll find the Choraleers. An invitation extended to them again this year was to perform at Disneyland's beautiful Annual Candlelight Procession. Singing at the annual Christmas program here at The Ranch is added to their busy schedule. At this time they highlight the program with their presentation of the Living Christmas Tree

Taking part in many activities for their second year is a singing group of girls named the Donnatones. The biggest choir group at El Rancho is our traditional Concert Choir. Singing at school assemblies, activities, and special programs, you'll see the Concert Choir hard at work. With concentration, lots of practice, and outstanding leadership from Mr Dennis Baver, the groups made it through another successful year

# Photo, C.S.F. and Welfare

Striving for higher scholastic achievement, the California Scholarship Federation is recognized as a state-wide scholastic organization for high school students. This organization honors students who have received 10 grade points or more in at least four academic subjects during a semester. Mr. Chuck Faught advises this group of scholastic achievers.

Under the teaching and leadership of Mr. Dan Vandevier, the Photo Club is a starting place for students interested in professional and amateur photography. Members learn to take meaningful pictures, develop and enlarge film, crop proofs, and use expensive photographic equipment that we have in our El Rancho Lab.

Class competition and activities involving worthy causes such as March of Dimes, the Canned Food Drive, and donations to various charities are just some of the responsibilities of the Welfare Commission. Mrs. Peggy Hunker advises this worthwhile group.

## Publicity, Activities and Elections

Keeping El Rancho students busy is the main job of the Activities Commission. This creative group is responsible for such extra curricular events as Homecoming, dances, rock and folk band performances, fun days, and Spring Activity. Members of this group must be imaginative so they can create activities which are both fun and interesting to the students.

Bulletins, marquee announcements, and posters is how the Publicity Commission "gets the word around" about what's happening at El Rancho. Good publicity is an important factor of a successful activity, and this group of people have worked especially hard to keep the students of El Rancho informed.

The hard, exciting, and secretive job of organizing all the elections at the Ranch is undertaken by the Elections Committee. Its members are responsible for passing out ballots, collecting them, and counting them, and announcing the results.

# Drama Club and S.A.P.

One of the most exciting and enthusiastic groups on campus is the Drama Club. At the beginning of the school year the club was advised by Mr. Roy Scaffidi. In November he transferred to Pomona High School and at that time Mrs. Barbara Barkemeyer took over advising this club full of "hams". Members of Drama Club usher at plays, and raise funds for drama production.

Students Against Pollution is a club dedicated to preserving man's environment. Advised by Ms. Judy Pyle, S.A.P. has searched for better and cleaner ways to live. This group has dedicated most of its time to raising funds for activities and field trips to the Los Angeles and San Diego Zoos, and other environmental areas. Their goal is to strive for a cleaner campus and a cleaner city.

Members of the S.A.P. group point out where trash goes.

Finance Commission is responsible for selling tickets at all sports events and other school activities. Advised by Mrs. Anita Reyna, our Activities Cashier, this group also assists in planning the budget for the upcoming year.

This year's Audio Visual Club has done a good job with the lighting and sound equipment for the school's productions. They were responsible for most everything from Pep Rallies to Coed Capers, and have proved they know their job.

Brown Union is a club dedicated to encourage Mexican-Americans to pursue higher education and to assist the general public in gaining an understanding and appreciation of Chicanos and their rich 6,000 year old heritage. Advised by Mr. Martin Aparicio, this club is open to all students.

## Assemblies, Agape

Agape is defined as "God's unconditional love for you." This group, which is led by Ms. Joy Tanigawa, meets in B-201 daily at 7:30 to pray and share the teachings and wisdom of Jesus and the Bible. Agape also helps one to find inner peace. It gives students the chance to meet new people and to discuss many different ideas about Christ and Christianity.

Have you ever wondered who to thank for one of El Rancho's famous assemblies? Well the thanks goes to Susan Robledo, Assemblies Commissioner, and the Assemblies Commission. The job of the Assemblies Commission decorates for the many assemblies we have at El Rancho. So don't take this group for granted. Next time we have an assembly think how drab it would be if the Assemblies Commission wasn't in existence.

Mr. Robert Fritzy, Mr. Joseph Kase, Advisors

### Dons take over the city!

Communist plot? No, just the Youth in Government for the year of 1977. Twenty-one outstanding El Rancho students are selected to take over Pico Rivera for a day. But the students don't just take over, they must learn how to do the job, then step into office. This annual event helps in giving the student a better understanding of bureaucracy in action.

# Drama Plays

This year the Drama Department, with the help of Ms. Barbara Barkemeyer, put on some fabulous presentations, including "Butterflies Are Free." Many other presentations such as the Christmas Play and other holiday events were also featured. Everything they have put on has become a great production. For each presentation there was a full house in the Little Theater, and gym. So much work and preparation is put into all the presentations, it's unbelievable. It's a good thing they have a lot of cooperation from all the committees involved in artwork, make-up, and advertisement.

With a brand new advisor and many brand new faces on the Annual Staff, many obstacles were to be overcome. With hours spent after school and holidays, and with unquestionable determination, not only did Advisor Ms. Rose Reets and Editor Ralph Garza stand by and lead the Annual Staff through these obstacles, but brought many new and exciting changes. This year \$2600.00 worth of ads were sold as compared to last year's \$1295.00, and 80 pages of color are featured this year as compared to last year's 32 pages.

Our goal is accomplished and here it is!  
Hope "You're Impressed."

# Newstaff

New dimensions were added to the knowledge of the Student Body, as the Newstaff continued to keep us informed on the occurrences of El Rancho. With their veteran of journalism, Advisor Mr. Rich Brown, and the assistance of editors, Karl Steinhoff (Fall) and Pat Collins (Spring), the El Rodeo staff once again produced remarkably accurate and interesting features throughout the year.

Lets give a hand to a job well done!

# Award Winners

In the twenty-five years of El Rancho's existence, it's students have not failed to be victorious in competition of both academics and sports. This school year was no exception.

Once again our Industrial Arts Department kept in the spotlight by walking away with awards presented by the Vocational Industrial Clubs of America. Organized and judged by V.I.C.A. members, this competition attracted 123 students from 12 high schools. On-the-spot competition consisted of drawing plans for a workshop and garage for Architectural Drafting students; detail drawings of a 3-part machine clamp for Technical Drafting; and building circuit for Electronics participants.

Automotive and Welding divisions of the department won Gold Medals with First Place positions. Their competition was on a much wider scale, as they won out of the entire Southern Region of California.

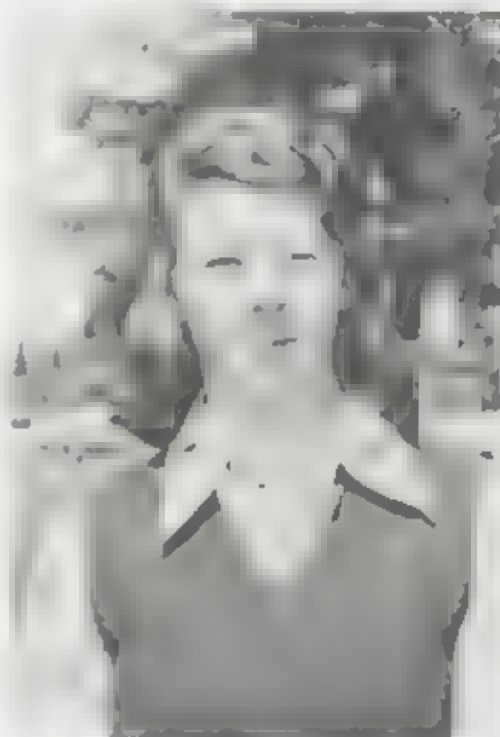

Our English Department also excelled. Composition II and Speech students competed against each other at the Veterans of Foreign Wars, Lions, Optimist's and Mens Clubs. Cash awards received were First place-\$100.00, Second place-\$50.00, and Third place-\$25.00.

## KEYS TO FUN

# Merry Christmas!

This year's Christmas Assembly was something new and different, which led to an enjoyable gathering for the entire school. This year was the first year the Drama Department worked side by side with the Concert and Stage Bands. The assembly was highlighted by a singing solo by Lisa Tompkins. The Drama Department put on their rendition of "The Night Before Christmas" while the band, which is destined for a tour of Canada during the Spring, played. With a show like this, maybe the combination of the Band and Drama Departments will be tried again.

# Events- Keys to Vigor and Spirit

The many activities enjoyed here at the "Ranch" this year have been highlights in the drudgery of school life. Students who felt themselves fall into a rut in the monotony of school routine got themselves picked up with new and different types of events.

The Faculty-Sheriff Basketball Game, which was held on March 9, proved to be a wild event as the faculty showed their "competitive toughness" when they won 56-43.

The Sadie Hawkins Dance took place on March 25, and our "hulbilly" guys and gals danced to the music of "The Sting." The Senior Class sponsored these two events to raise money for their Senior Picnic at Pickwick Park and to help pay for damages as a result of their Senior prank.

Spring Activity, held on the foolish day of April 1, turned out to be a real success as once again clubs and organizations gathered together to build booths, to sell food, and play games in order to raise money. Later that evening students danced to the requested music of The Greg Gorman Light Show.

April 22 - May 1 was a most exciting week for our El Rancho Band. After raising \$13,000.00 by sponsoring a marchathon, a dance, a car wash, and various sales, the 111 member band travelled by bus to Vancouver and Victoria, Canada. Under the direction and leadership of Mr. Bill Eads, band members fully experienced their travels by staying with Canadian families during their time with our neighbors to the North.

May 7 was a major highlight as students shared in the memorable and romantic evening of the Junior-Senior Prom. "A Time For Us" was held at the Los Angeles Biltmore Hotel, where students and faculty alike danced until the early morning hours.

## Faces and Acquaintances

These faces, the faces in this book, some familiar and some not, have probably passed before you in the halls many times. Each one might be a friend or an acquaintance, most may be just faces in a crowd. In the years to come these faces will become less and less familiar to you, and that's when you'll need POR EL ANO the most. Identifying some of these faces should be easy, but most will be more difficult. In a few years, all of these faces will be asking the same question: remember me?

## Senior Officers

This year has been very rewarding for all of us. We experienced many things which will help build and strengthen our lives ahead. As president, I have had the honor of representing an outstanding group of young people the seniors. This has been an unforgettable experience.

The class of '77 sincerely thanks our great advisor, Mr. Dan Alvarez. He helped us to help ourselves.

As we end our final year, we can look back on our achievements and disappointments. We will go on to further our education and meet new people. But most of all, as we leave El Rancho, we go on to further enjoy life!

# '78 Is Great

When first elected Junior Class President, I was sure of the responsibilities I had taken on, but I found that the Junior Class had an abundance of active, spirited people, each with significant ideas and talents to contribute. My job was made easier by these people. I found that all I had to do was organize them, and I had a class capable of accomplishing anything.

I would like to thank our advisors Mr. Aguilar and Mr. Faught for finding the time to work with us.

I would like to close by saying that this class will reach its potential next year. It has truly been an honor serving for the Junior Class and I couldn't have accomplished it without your help. Thank you.

## '79 Is Fine

As we come to the end of our first year at El Rancho, we have gained a reputation of being a hard working class. This year as "Sophomores" we've showed great enthusiasm and the desire to be the best. This, along with good sportmanship, and the desire to work and help one another has been our trademark.

I would like to express my thanks to those of you who supported me and especially the help of our great advisors, Mrs. Reyna and Mr. Caputo.

As a final thought, it is my hope that the class of "79" will continue to strive to become one of the most outstanding classes The Ranch has ever had.

## Keys to Education From Our Faculty

Mr. John Sherman, Vice Principal of Activities and Business, approves a fund-raiser for Louise Gomez, B.A. and M.A. @ Whittier College Interests: Fishing, Sports

## Key Figures

The administrators of El Rancho have responsibilities beyond the imagination of anyone on campus. Our principal, Mr. William Payne, has been entrusted with the job of administering one of the finest high schools in Southern California. He alone has the full responsibility to see that each student on this campus has the opportunity to reach the highest level of education possible. This is Mr. Payne's sixth year at E.R.

A very qualified staff assists Mr. Payne in administering a school of over 2700 students and 123 teachers and counselors. Mr. Al Ogas, new this year from North Park, is our new Vice-Principal of Guidance. Students and faculty alike always find him "making the rounds" on campus, cheerfully rapping with some students or meeting a problem head on.

Mr. Tom Cunningham is our new Vice-Principal of Curriculum. He was our Vice-Principal of Guidance for four years before being transferred to his new position. His job is to make sure a selective, interesting and demanding curriculum is offered to E.R.'s students.

Mr. John Sherman, known by each and every active student on campus, is our Vice-Principal of Activities and Business. One will always see him supervising activities, chaperoning school events, and guiding the direction of student activities here at The Ranch. Mr. Sherman, once a student and athlete here at El Rancho, has one major concern: to give each high school student in Pico Rivera an opportunity to get involved beyond the classroom.

Mr. Alfred Ogas, Vice Principal of Guidance, describes a discipline problem to Mr. William Payne, B.A. New Mexico State University Interests: Jogging, Macramé, Tennis, his dog

## Keyed-Up Students Get Advice

There isn't a day that goes by in a day at El Rancho High School that each student is not in some way influenced or affected by the counselors, school psychologist, librarian, or nurse. The Guidance Office open doors to answers for academic affairs, future plans about school, or...disciplinary measures. Counselors answer questions daily concerning grades, referrals, college admissions and entrance requirements, and testing scores. Our Career Planning Center, located at the far south end of campus, open doors also. Headed by Coordinator, Mr. Larry Sandoval, counselors Dr. Bob Hayes and Mr. Gene Jasper have a continuous mainstream of information concerning career guidance and employment opportunities.

Our school nurse, Mrs. Joanie Campbell, sees to the health benefit of each student on campus. She notifies parents in the event of an injury in Physical Education or Athletics, tests for sight and hearing, and gives assistance to students who just aren't "feeling up to par." She also releases students for home-teaching situations.

Filled with students doing research on their own, or working with their classes, our library is in constant use. To give students the opportunities they need, Librarian, Mr. George Skyles, orders books recommended to him by the faculty, transfers to video-tapes special programs which correspond to our curriculum, and maintains current reference materials for research.

# A Likely Story

Every week teachers and counselors alike sign hundreds of re-admits for students to enter class after an absence. What they don't see, however, are the excuse notes which are all "legally signed" by absent students parents. Attendance Office personel can fill volumes with notes that contain the most "creative and clever" excuses written by some of our most "creative and clever" absentees. Here is just one example of some of that clever rhetoric:

To any teacher of concern

Please excuse Glen for Tuesday Jan. 4th. because he has a good reason. He has to milk the cow, his house is on fire, his grandma is getting braces, his two year old sister is becoming a junkie, somebody locked the key in the bathroom, he has to give the cat its food, and he left the lights on in his bedroom. In addition to this he has to take out the trash, set his alarm clock for tomorrow, take a bath (worth repeating), practice his bagpipes for tomorrow's lessons, and check the plumbing. He has to pick up two cases of vanilla extract, the water heater exploded, his pet penguin ran away, he has to build an igloo for visiting cousin Kenok, and he has to cut his hair into a Dutch Boy,

Thank you, Glen's Mother

Now that's more like it', says Ms. Davis

## Decisions

This year, our faculty had to make a decision which was never before presented to them. On the first day of school every teacher in the district voted whether or not to go on strike. Led by representatives of the California Teachers Association and the American Federation of Teachers, 80% of our faculty carried picket signs for nine days school days. On October 8, the teachers returned to their classrooms. They were an amiable group and ready to return to their students.

## Satisfaction

Within a week after the strike, satisfied teachers and relieved students had El Rancho back on a normal course. The library was reopened, the nurse's office was over-crowded in the morning, and the Attendance Office lines were once again ten-deep. Aside from the usual crowded and noisy corridors, text books, were issued, films were scheduled lectures were planned, and grades received. People were smiling. This time EVERYBODY was ready for school to start!

## Cooperation

Contrary to popular belief, teachers are often times victims of misunderstanding. Working cooperatively with our administration, our faculty assisted in curbing violence, guiding students, running a smooth curriculum, programing classes, and meeting the daily demands of providing an education.

## Dedication

During the course of the school year, our fourteen various departments have been unfailing in their willingness and dedication to provide an education to El Rancho's students. Although, at a first glance, they seem to have little in common, every department on campus shares a common function of preparing our students for their future lives.

Several changes have taken place in curriculum since last year which directly affect each of ER's students. Beginning this year, each student must take two semesters of Social Studies and two semesters of English annually. One semester of math must be taken before graduation, and the most fought issue was eventually lost: Physical Education is now optional for juniors and seniors.

## Without Them?

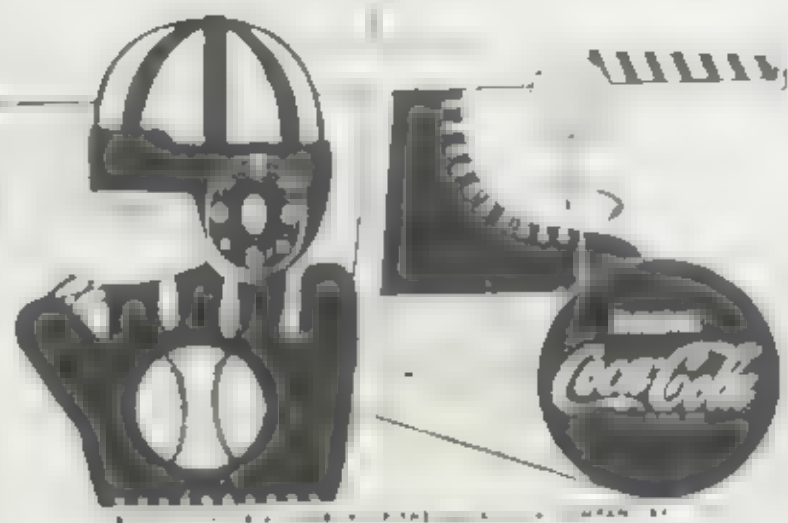

These faces that you see before you are your best friends. They may not seem familiar to you, but each one helps you out at one time or another during the day, everyday. What would life be without them? Just think about it. There would be no one to take you to school or bring you home at night. When you got to school the campus would be a mess. At lunch you would starve, and when you went to the office to complain there would be no one there to listen to your problems. So next time you see a member of the Classified Staff, be grateful. We couldn't get along without them

*without them we couldn't wait a minute to get to school or home. We would have a hard time passing.*

## An Eventful Year

As the school year of 1976-1977 comes to a close, we watch the events which have kept us busy flash before our eyes. The many activities splashed across this page bring back fond memories of that perfect evening with that date you have been wanting all year. New events that were enjoyed were the Sadie Hawkins Dance held on March 25th, and the basketball game between the faculty and the Sheriff's Department which was won by the teachers with a score of 86-78.

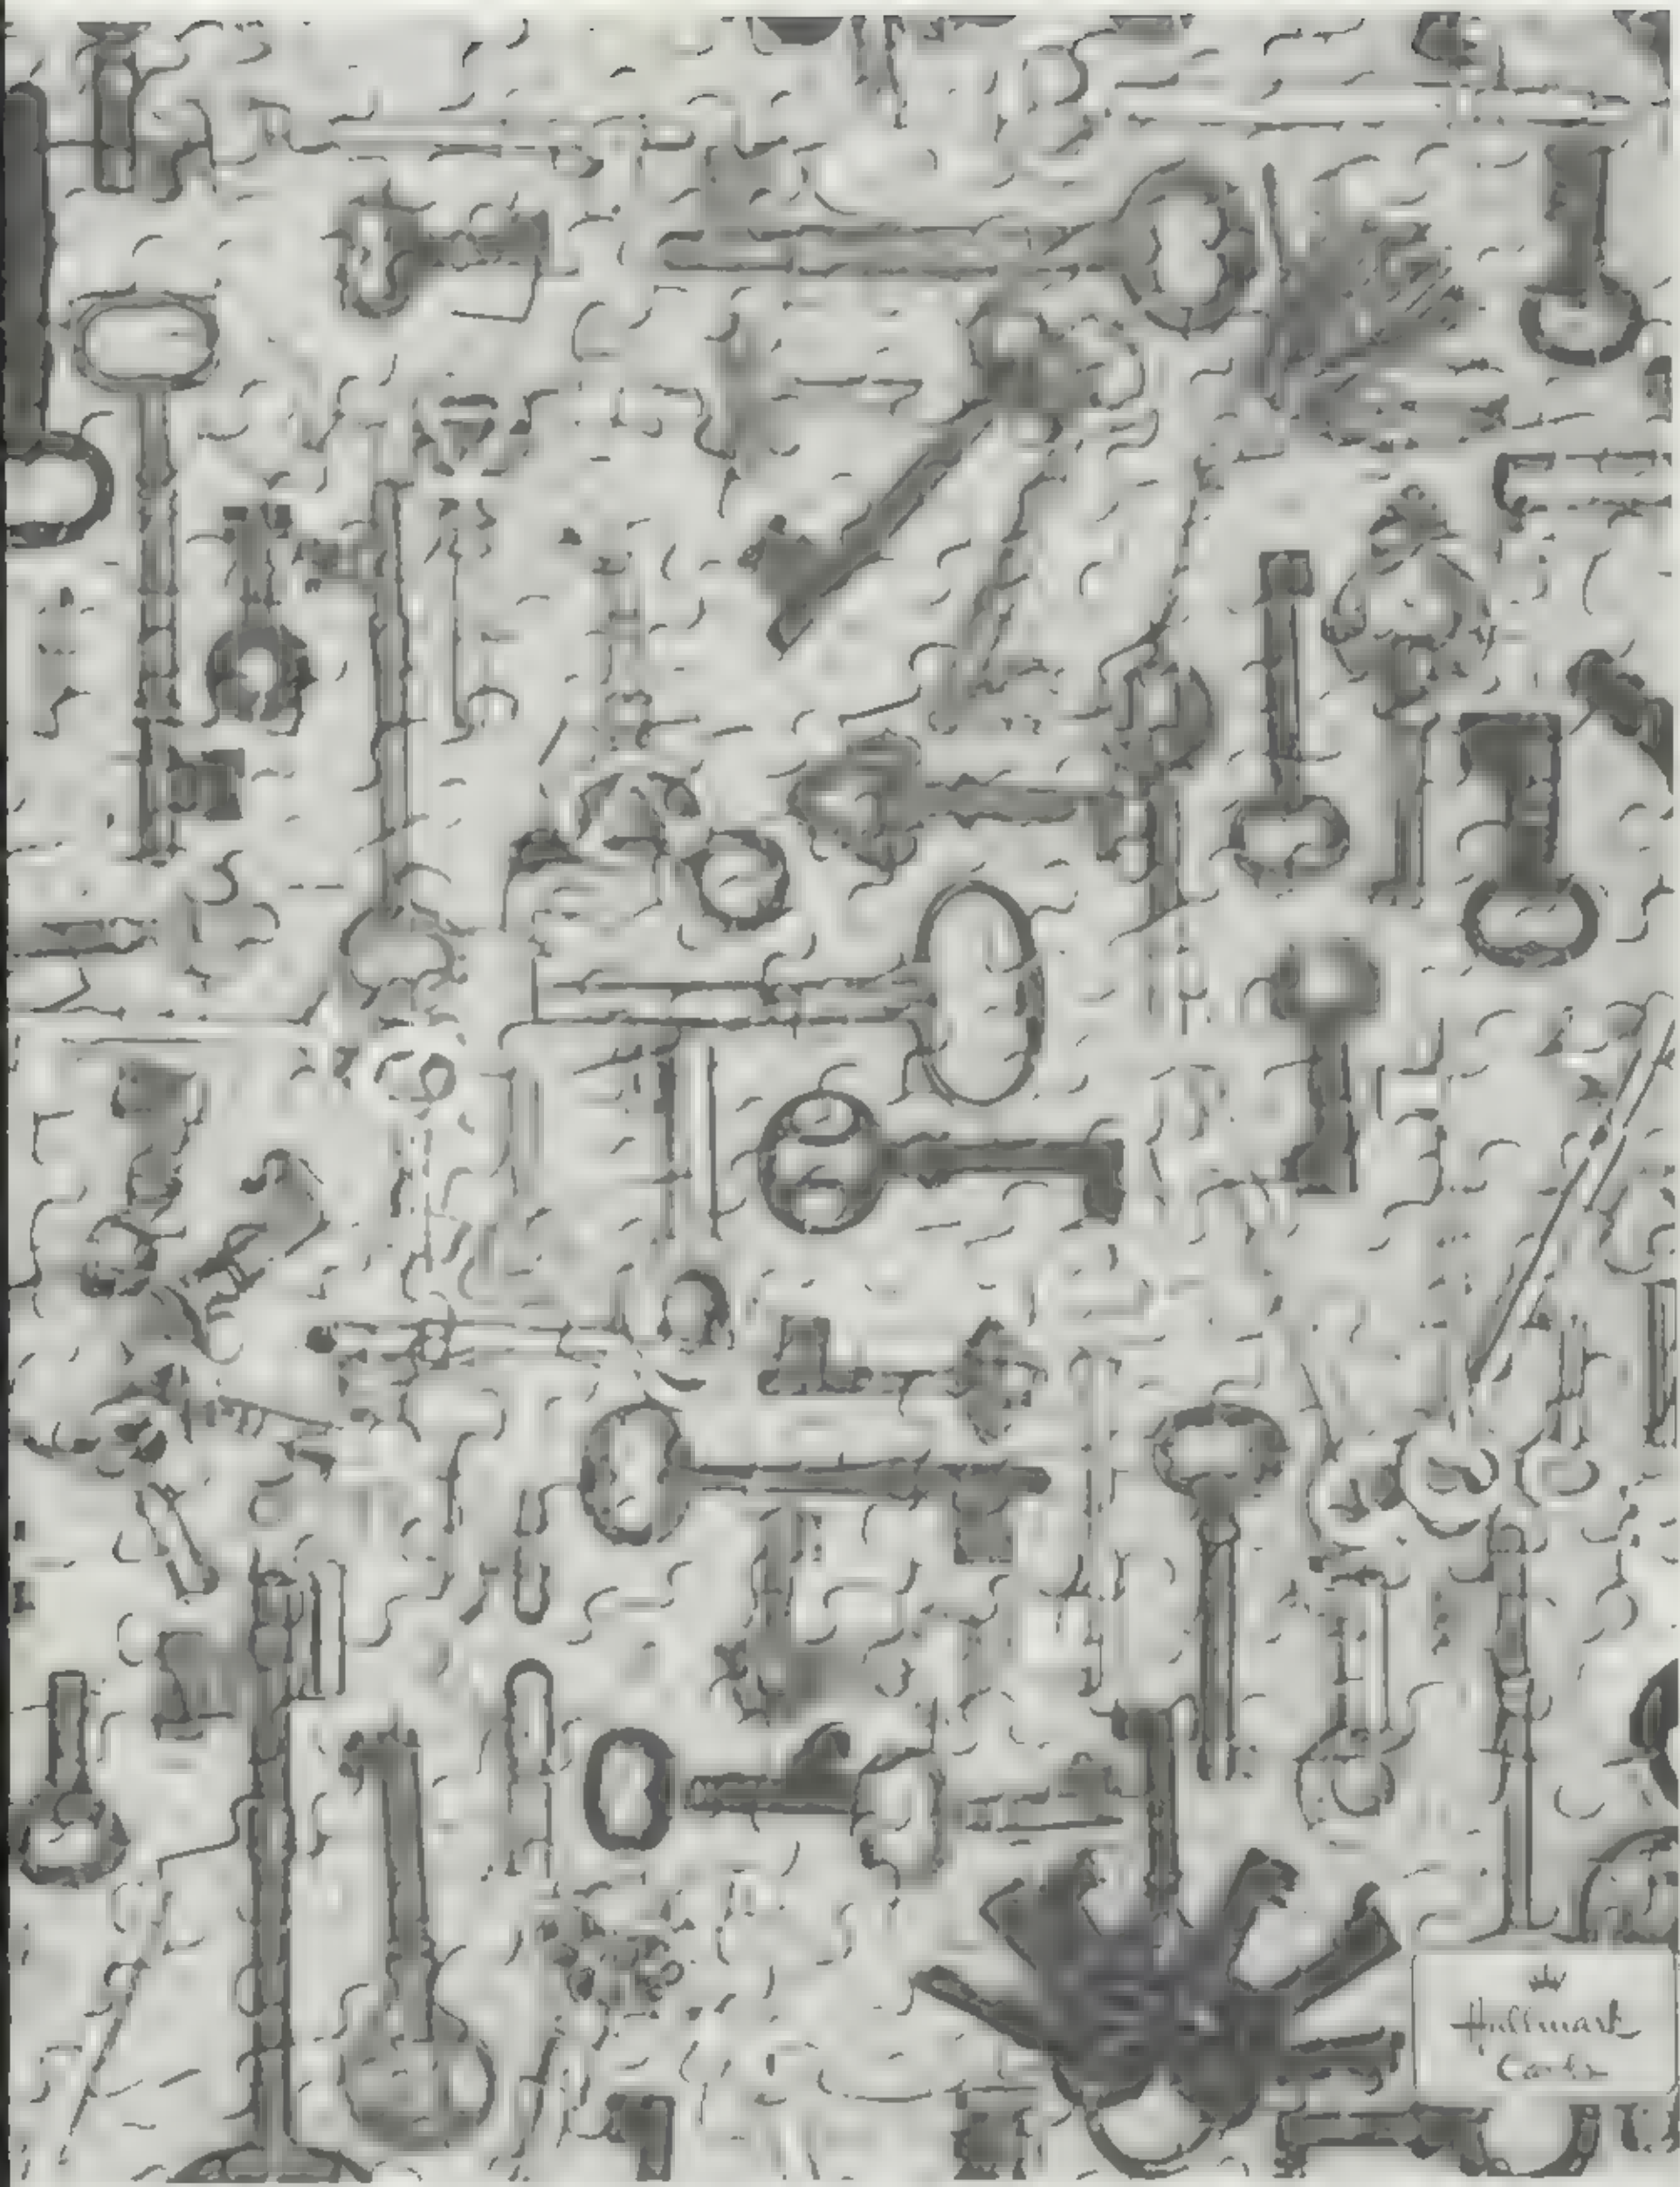

Another eventful day was Wednesday, February 9th, when at 1:00 A.M. the Senior Class continued with the annual tradition of the Senior Class Prank, this time leaving a path of disaster. The "prank" resulted in a flooded, filthy campus that cost several thousand dollars to replace, repair, and replant; an event appreciated by none.

Memories would soon be forgotten without pictures to continually keep them fresh in our minds. These two pages we gratefully dedicate to the memory of Mr. Paul Morris, from Watson's Studios. Without his willingness to work above and beyond his responsibilities, the creation of this Annual would have been nearly impossible.
